

# EEI

## Course List - 2010

<b>EEI - ENVIRONMENTAL, SAFETY, IH, PUBLIC HEALTH, AND RISK SCIENCE PROGRAM</b>
<b>RISK SCIENCE</b>
Brownfield Redevelopment & Risk Assessment - 1Day
Cost / Benefit Analysis in Risk Science - 1Day
Risk Communication in Risk Management - 1Day
Human Health Risk Assessment
Essentials of Risk Assessment
<b>INDUSTRIAL HYGIENE</b>
Air Monitoring Strategy & Analytical Methods - 1 Day
Microbial Growth and Indoor Environment - 1 Day
Bio Safety & Laboratory Quality Control - 1 Day
Comprehensive Safety Program & Loss Control Management - 1 Day
Industrial Ventilation - 1 Day
Industrial Hygiene Management Workshop - 1 Day
Indoor Air Quality (IAQ), HVAC & Energy Conservation - 1 Day
Basic Toxicology - 1 Day
Ergonomics Program & Cost Justification - 1 Day
Office Ergonomics (upper extremity) & Prevention of Lower Back Injuries - 1 Day
Basic Statistics for Industrial Hygiene - 1 Day
Industry Noise Control Technology - 2 Days
How to Conduct an Energy / IAQ Audit 2 Days
Advanced Industrial Hygiene: Sampling for Legal Defense - 2 Days
Fundamentals of Practical Industrial Hygiene - 3 Days
<b>HEALTH &amp; SAFETY PROGRAM</b>
10 Hour Construction Safety - 1 Day
HazWoper Supervisor - 1 Day
Industry Emergency Preparedness Program - 1 Day
Machine Guarding - 1 Day
Ordnance & Explosives - Basic & Advanced - 1 Day
DOT Transportation of Dangerous Goods by Air - 1 Day
Effective Behavior Based Safety Programs - 1 Day
Electrical Safety - 1 Day
HazWoper Refresher - 1 Day
Safety & Health Standards for the Construction Industry (29CFR 1926) - Basic - 1 Day
Safety & Health Standards for the Construction Industry (29CFR 1926) - Advanced - 1 Day
PSM HAZOP Training - 2 Day
Process Safety Management (PSM) / Risk Management Implementation - 2 Days
40 Hour HazWoper - 5 Days
Emergency Response - 3 Days
<b>HALF-DAY COURSES TO COMBINE</b>
Forklift / Crane Safety
Hazard Communications
Fall Protection
PPE & RPP
Permit-Required Confined Space Entry
Compressed Gas Cylinders - Half Day
Confined Space for Supervisors - Half Day

# EEI

## Course List - 2010

<b>ENVIRONMENTAL MANAGEMENT</b>
Environment Assessment / Environmental Impact Statement / NEPA Compliance - Basic and Advanced - 1 Day
Environmental Due Diligence for Acquisitions / Mergers - 1 Day
Environmental, Safety & Health (ESH) Auditing Program - 1 Day
Hazardous Materials Transportation - 1 Day
Environmental Management Systems and ISO 14000 - 1 Day
EMS and Sustainability - 1 Day
Pollution Prevention Strategies & P2 Auditing - 1 Day
Radiation Monitoring Program - 1Day
Waste Water & Sludge Management Program Strategy - 1 Day
Environmental Compliance Auditing & Global Operations- 1 Day
ROHS Compliance- 1 Day
REACH: For Chemical and Non-chemical Industries- How to prepare for the -0.5 Day
Solid / Hazardous Waste Management Strategy - 2 Days
Environmental Monitoring and Instrumentation / Fundamentals - 2 Days
Clean Air Act Implementation - 2 Days
Global Harmonized System for Chemical Labeling – 1 Day
<b>MEDICAL &amp; PUBLIC HEALTH</b>
Food Protection & Sanitation - 1 Day
JCAHO Audits & Compliance Management - 1 Day
Medical Waste Management - 1 Day
Safety & Health Issues for Healthcare Industry - 1 Day
Infection Control I - Food Borne Diseases - 1 Day
Infection Control II - Air Borne Diseases - 1 Day
Infection Control III - Vector Borne Diseases - 1 Day
Blood-Borne Pathogens - Half Day
Listeria Assessment & management Program – 1 Day
Process Validation for RTE products – 1 day
<b>LEADERSHIP TOPICS AND OTHER</b>
Elements of Successful Business Decisions - 1 Day
Project Management - Basic -1 Day
<b>EEI - SECURITY PROGRAM</b>
<b>FEDERAL EMPHASIS</b>
Nunn Lugar Dominici and Domestic Preparedness
National Org. Structure for Terrorism Response
Federal Budget and National Resources
Counter-Terrorism/Crisis Management Fundamentals
Emergency Responses Table-Top Exercises
Community Vulnerability Risk Assessment
Basic WMD and Advanced WMD
Force Protection Equipment
BIO-Terrorism
Chemical Hazards
Conduit Installation
Transportation Security Screener
Bomb Threat/Management
Improvised Explosive Device (IED)
Cabinet X-Ray (Operation, Safety, Interpretation)
Emergency Evacuation
Intrusion Detection Systems
NIMS (National Incident Management System) Level 100, 200, 300, 400, 700
New Face Of Terrorism

# EEI

## Course List - 2010

WMD/HAZMAT COURSES
Hazmat Awareness
First Responder Response To Terrorism
National Structure for Terrorism Response for First Responders
Clandestine Drug Lab awareness and Response Training
WMD HazMat Emergency Response - 2 Days
Metering/Detecting WMD/HazMat Environment - 2 Days
Mass Casualty Decontamination for WMD/Hazmat - 2 Days
WMD/HazMat Incident Management - 2 Days
HM Incident Command - 2 Days
WMD/HazMat Tactical Operation - 2 Days
HM Technician Level - 2 Days
WMD Basic
OTHER SPECIALTY TOPICS
Facility Security
Corporate Security Abroad
Disaster Emergency Planning
Executive Protection
Assets Protection
CCTV
Electronic Eavesdropping
Corporate Espionage & Information Security
Security in Public Buildings & Schools
Technical Surveillance Countermeasures - 5 Days
EEI LIVE WEB and DISTANCE LEARNING VENUES
EEI - LIVE WEB SEMINAR 2008 [7 Hours - Split Over 2 Days]
Human Health Risk Assessment
Microbial Growth & IAQ- 7 Hours
Return of Hazardous Substances (ROHS) Compliance- 7 Hours
Environmental Compliance Auditing & Global Operations- 7 Hours
Basic Statistics for Industrial Hygiene- 7 Hours
REACH: For Chemical and Non-chemical Industries- 3.5 Hours
Ergonomic Program Development & Cost Justification
Office Ergonomics (Upper Extremity) & Prevention of Lower Back Injuries
Hazardous Materials Transportation
EMS and Sustainability
Pollution Prevention Strategies & P2 Auditing
Clean Air Act Implementation
Food Protection & Sanitation
Blood –Borne Pathogens – Half Day
Elements of Successful Business Decisions – 1 Day
Bio – Terrorism
Hazmat Awareness
Corporate Espionage & Information Security
Basic Safety Training
Basic Toxicology
Weapons of Mass Destruction (WMD) Basic
Behavior Based Safety Program
How to conduct an Energy Audit - Basic
Fundamentals of Industrial Hygiene – 3 Days
<b>Audit Training Program in 4-Parts offered in DVD or Worldwide Intranet License; English Only or Multi-lingual</b>

# EEI

## Course List - 2010

CHINA COURSES - SAFETY TOPIC
Process Safety Management
Natural Gas Basic Safety
Incident Investigation
Fundamental Occupational Hygiene
Fatigue Management
Emergence Response
Construction Project Safety Management
China Safety Training Series
Basic Safety Training
CHINA COURSES - ENVIRONMENTAL TOPIC
EHS Overview - 5 Days
Stack Emission Sampling and Analysis
Continuous Emission Monitoring System
Ambient Air Monitoring Quality Assurance Program
Ambient Air Sampling and Monitoring
OVERSEAS ENVIRONMENTAL REGULATORY TOPICS
China ESH Laws and Regulations and Enforcement Practices - Overview
Brazil ESH Laws and Regulations and Enforcement Practices
India ESH Laws and Regulations and Enforcement Practices
Russia ESH Laws and Regulations and Enforcement Practices
Czech Republic ESH Laws and Regulations and Enforcement Practices
EEI e-LMS Training Program
Computer Security Awareness
The Privacy Act Awareness
The NoFear Act (and EEOC Protection)
